

Dear parent/ carer

Eight weeks into the academic year, I am pleased to report that positive cases of COVID-19 amongst staff and pupils remain low in the Academy. Thank you for your support in encouraging pupils to take 2 Lateral Flow tests weekly.

On Wednesday 17<sup>th</sup> November, pupils will be given a pack of 7 Lateral Flow kits, which we hope will cover the next 3 weeks of school. In this way, we hope we can continue to keep all members of the school community safe from infection.

I also attach a letter from Croydon Council and NHS South West London, inviting you to a webinar in regards to the vaccination programme for 12 -15 year-olds, should you wish to attend.

Kind regards

Mr R. Ellis  
Senior Vice Principal
