

Dear Parent/ Carer,

GCSE Results Day - Thursday 22nd August

As the academic year comes to an end, we wish to draw your attention to the upcoming GCSE results day in August.

Results can be collected from the academy between 09:30am – 12:00pm. Results can either be collected in person, or students can nominate someone else to collect on their behalf. A permission form for GCSE results collection must be completed if you are requesting a nominated person to collect the results. This form can be found on the school website under the Exams section. Any results that are not collected by 12:00pm on Thursday 22nd will be posted out the following day.

Our careers advisor will be available on the day to provide guidance and support to those who are unsure of their next steps.

Please contact me via email to discuss any of the information detailed in this letter.

Yours sincerely,

A Barlow
Assistant Principal
The Archbishop Lanfranc Academy
