LEARNING CHANGES LIVE

Dear Parent/ Carer,

RE: YEAR 9 END OF YEAR EXAMINATIONS

As we approach the end of the academic year, we are preparing for the Year 9 end- of- year exams. Core exams in English, Maths & Science will be conducted for the entire year group in the exam hall under formal exam conditions. This setup aims to provide students with an opportunity to experience and understand the rules and expectations of public examinations.

The core exams are scheduled as follows:

Year 9

Subject	Date	Time of Day	Length
English	Thursday 20 th June	Periods 1 & 2	1.5 hrs
Maths P1 Non Cal		Periods 3b & 4	1.5hrs
Science		Periods 5 & 6	1.5hrs
Maths P2 Cal	Friday 21 st June	Periods 4 & 5a	1.5hrs

All other subjects will be assessed in their regular timetabled lessons between the **17th June and 28th June**.

Students will be preparing for these exams during lessons and tutor time. To support your child at home, I suggest using websites like [BBC Bitesize](#) and [Seneca](#), which offer a range of subject information, tasks and revision quizzes to help students prepare for their exams.

Please discuss with your child the importance of formal examinations and expectations regarding preparation and behaviour during these exams.

We understand that examination periods can be stressful for students, and your child's well-being is our main priority. If you have any concerns about how your child is coping during this time, please contact your child's tutor.

Yours sincerely,

A Barlow
