

LEARNING CHANGES LIVES

April 2023

Dear Parents and Carers,

After a busy Spring Term, and a well-deserved Easter break, students and staff returned yesterday with a spring in their step, and looking forward to a great Summer Term. I do hope you, and your families, had a good Easter.

Students in Years 7 – 10 will have received their Spring Term Reports, and children in Year 10 will have begun their break straight off the back of their Work Experience, I do hope both of those things were positive experiences.

Students in Year 11 sat a full set of mock exams just before Easter; they will receive an update on their progress before the end of next week – we keep our fingers crossed for them (but also remind them that it takes more than just good luck to do well!). The timetable for the summer exams has now been published and is available on our website (<https://lanfranc.org.uk/welcome-secondary/exams/>).

If you experience any issues receiving your child's report (or any other information), then please do check our EduLink guide for parents/carers (<https://lanfranc.org.uk/wp-content/uploads/2022/09/Edulink-One-Parent-Guide.pdf>) or email us at [office@lanfranc.org.uk](mailto:office@lanfranc.org.uk). Remember you can email any member of staff; addresses can be found on our website (<https://lanfranc.org.uk/our-staff/>) – please do contact us if there's ever anything we can do to support you/your child.

#### Further Industrial Action

The National Education Union has proposed two more days of strike action:

I will write again nearer the time.
