

LEARNING CHANGES LIVES

Dear Parents and Carers,

We want to make you aware of a situation involving social media activity on platforms like TikTok and Snapchat. Recently, some accounts have posted comments about staff and students that are not in line with the positive and respectful values we uphold in our school community.

While we are actively working to report these accounts and have them removed as quickly as possible, we would greatly appreciate your support in helping us address this matter.

Here are a few simple steps you can take to support us:

- Have a conversation with your child about their social media use and the importance of being respectful online.
- Check your child's phone occasionally to ensure their online activity is positive and appropriate.
- If you or your child see any inappropriate content relating to our school community, please report it directly to the platform and let us know.

Our shared goal is to create a safe and welcoming environment, both in person and online, for all our students and staff. Your partnership in this effort makes a big difference, and we truly appreciate your support.

If you have any questions or need guidance, please don't hesitate to contact us. Thank you for your ongoing support in making our school a great place to learn and grow.

Warm regards,
Grace Sheridan

Assistant Principal & DSL
