## Supporting Neurodiversity Within Families

This informal and free video workshop is led by **Dr Joanne Riordan**, Educational Psychologist and Neurodiversity specialist. Joanne explains the term '**neurodiversity**', which is a big, current topic. She then goes on to talk about **practical and neuro-friendly strategies**, to support family routines and your children. This workshop is aimed at parents and carers of children and young people (0-16years) with neuro-developmental conditions (e.g. Autism, ADHD, Developmental Coordination Disorder/dyspraxia), living in Croydon or with children attending Croydon schools.

**You are welcome to attend 10.00-11.30am  
or 7.30-9.00pm on 6<sup>th</sup> February 2023**

### **How to book:**

To book on the morning session, please use the link <https://www.eventbrite.co.uk/e/neurodiversity-in-families-registration-443242679787>. To book on the evening session, please use the link

<https://www.eventbrite.co.uk/e/neurodiversity-in-families-registration-443246220377>. Spaces are limited, and are on a first come basis. This will be hosted on Zoom. Any issues, please contact [pa.drjoanne@gmail.com](mailto:pa.drjoanne@gmail.com)
